Passionate creative freelance photographer seeking new challenges. I have proficiency in generating creative ideas, art direction, and photography for commercial projects. Additionally, I have a passion for creating and conceptualizing ideas for personal photography projects. Furthermore, I gained experience in copywriting for health media projects during my education at the College of Social Communication Innovation. I am seeking for new opportunity in the field of Art Director to apply my skills and knowledge to make a significant contribution to your team and company to achieve its project goals.
