## ZOMHEDONIA

When what seems normal turns into numbness without us noticing — no joy, no goals, just getting through each day — the Zomhedonia Observation Organization was founded to help us reflect on our emotions and behaviors, and to seek support, in collaboration with the Department of Mental Health and Kasetsart University's Faculty of Psychology.

BITKUB

Interned at Bitkub Blockchain Technology, a digital finance company, with responsibilities including designing graphic content for various online media platforms under its network, such as Bitkub Chain, Bitkub Metaverse, and Bitkub NFT.

COCOMAX

Cocomax is undergoing a rebranding to better appeal to the modern consumer. The new branding will feature a color palette inspired by the coconut tree, with simplified shapes of the trunk, leaves, and coconut in a minimalist style.

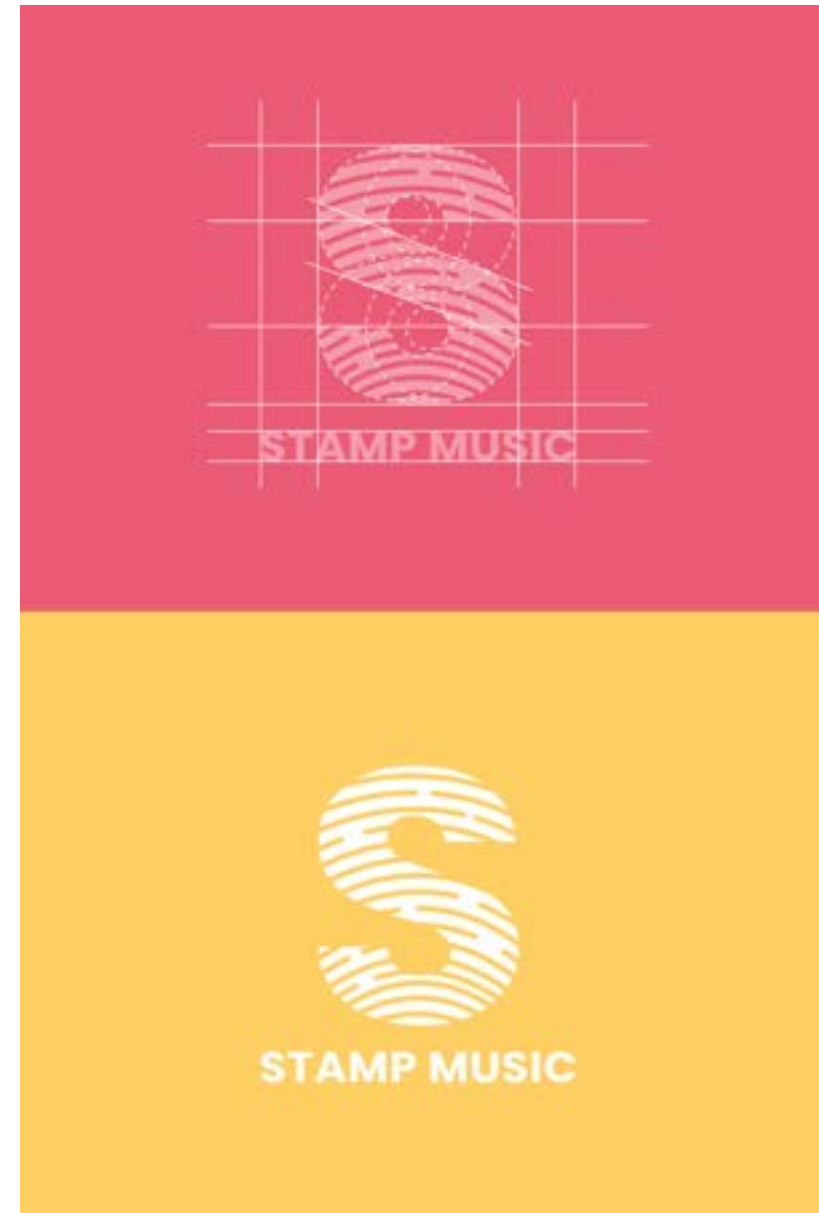

POLICE TERO

Police Tero, one of Thailand's oldest football clubs, is undergoing a rebranding campaign to reflect its renewed spirit and aspirations. The new brand identity, centered on the concept of "Spark of Victory," embodies the club's rich history, unwavering dedication to excellence, and unwavering commitment to achieving success on the pitch.

## STAMP MUSIC

Stamp Music, a Japanese record label specializing in R&B music infused with indie sensibilities, has carved a niche for itself by nurturing artists with unique signature styles. The label's approach to artist development emphasizes approachability, style, and a refreshing flow that keeps listeners engaged.

## JOINT

Joint is a coworking space that prioritizes comfort and convenience, providing members with the latest technology, delectable food, and refreshing beverages. Our vibrant color scheme and minimalist visual design create a stimulating yet relaxing atmosphere, fostering a sense of modernity and creativity.

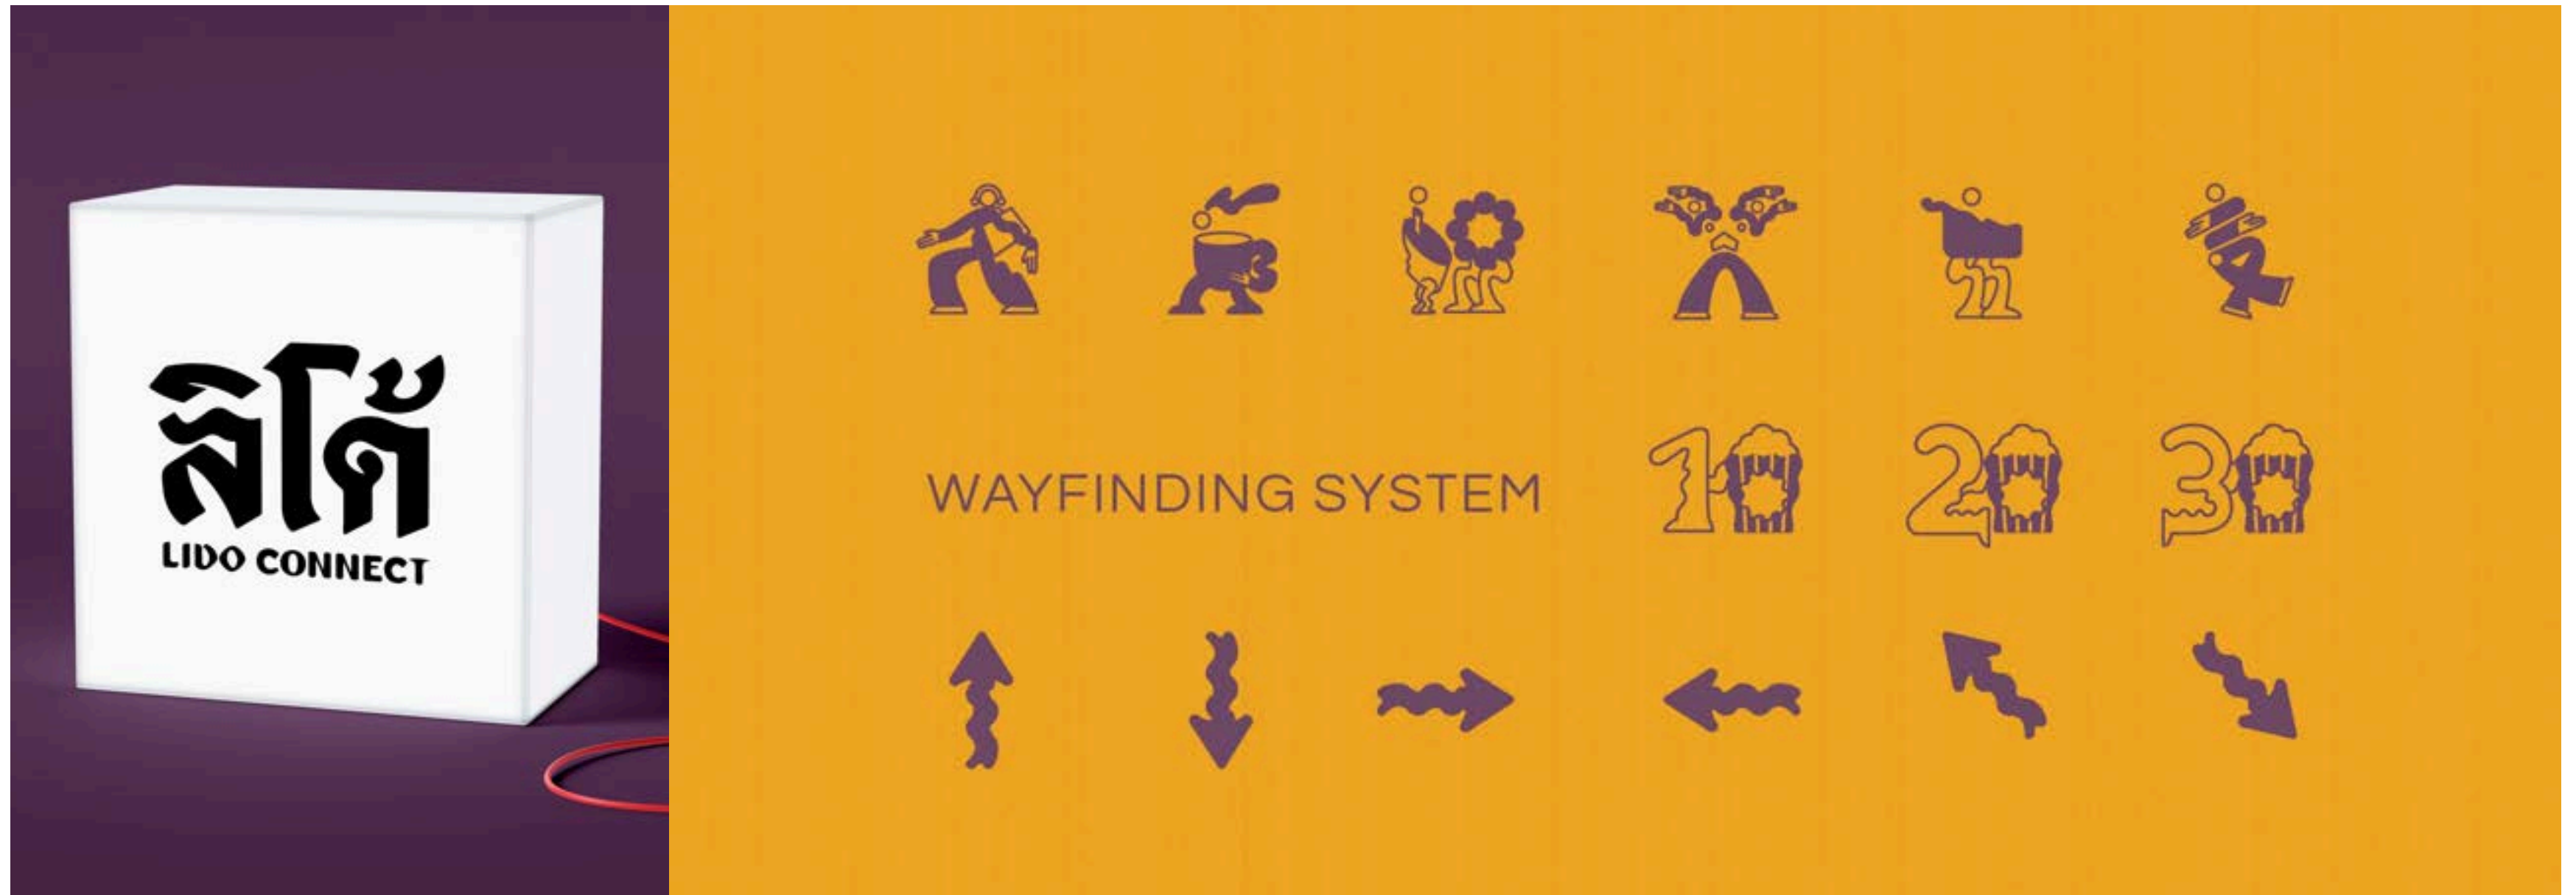

NAMPUENG WAN  
JAI KLANG KRUNG

A delightful festival that brings together the finest honey from across the nation to the heart of the capital city. Immerse yourself in a world of pure sweetness and delight as you explore the diverse flavors and varieties of honey on offer.

LIDO CONNECT

A vibrant hub for young urbanites to socialize, dine, and shop, revitalized with a retro aesthetic that captures the charm of the past while embracing the energy of the present.

# Wayfinding system

ABOUT

WORK

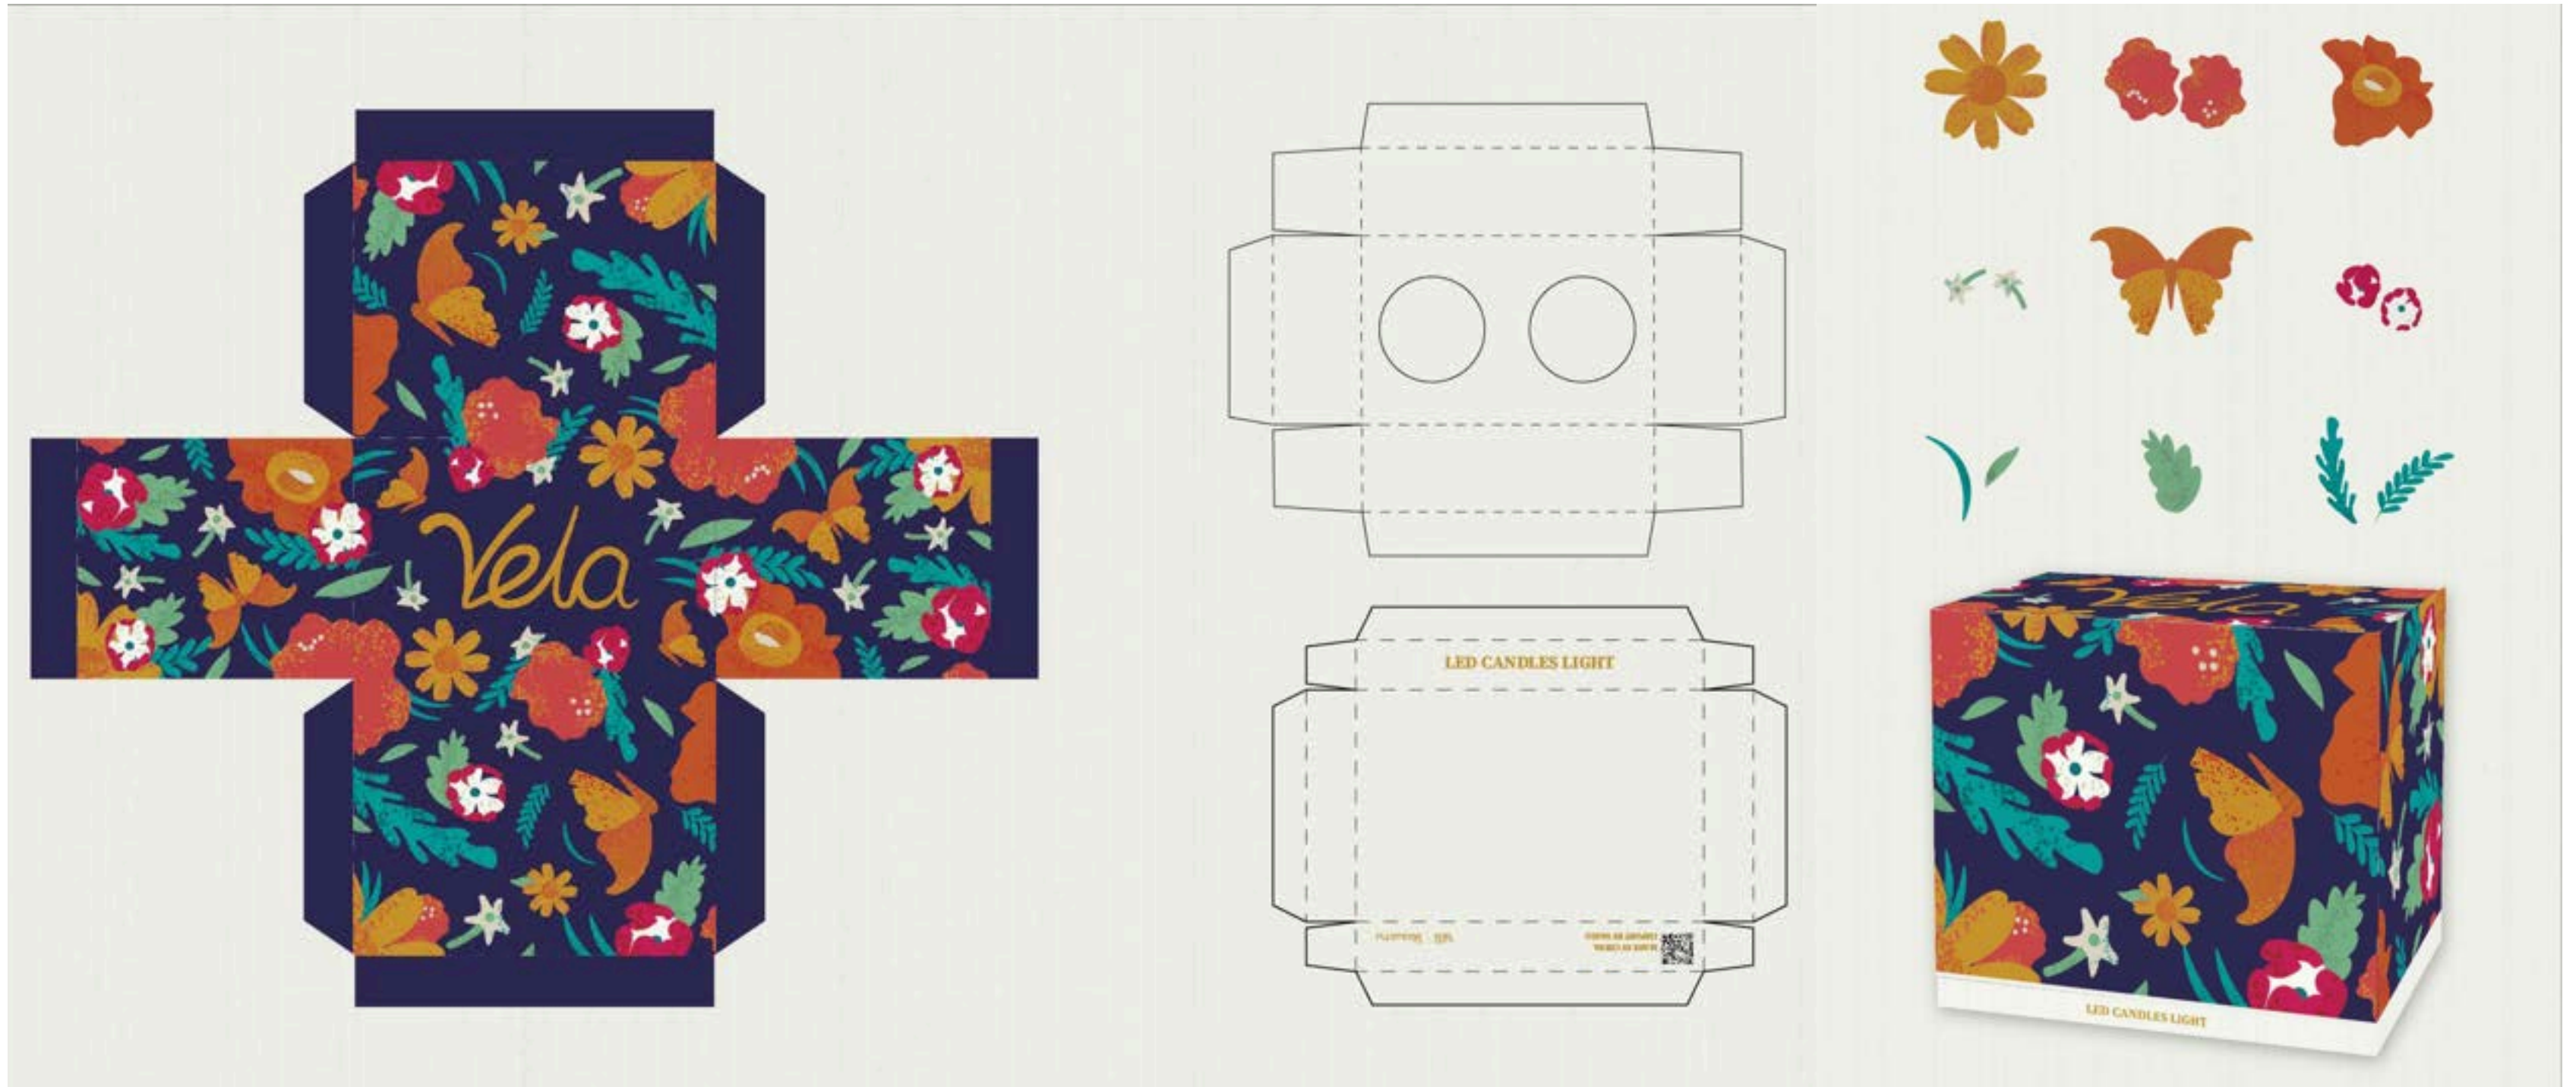

CONTACT

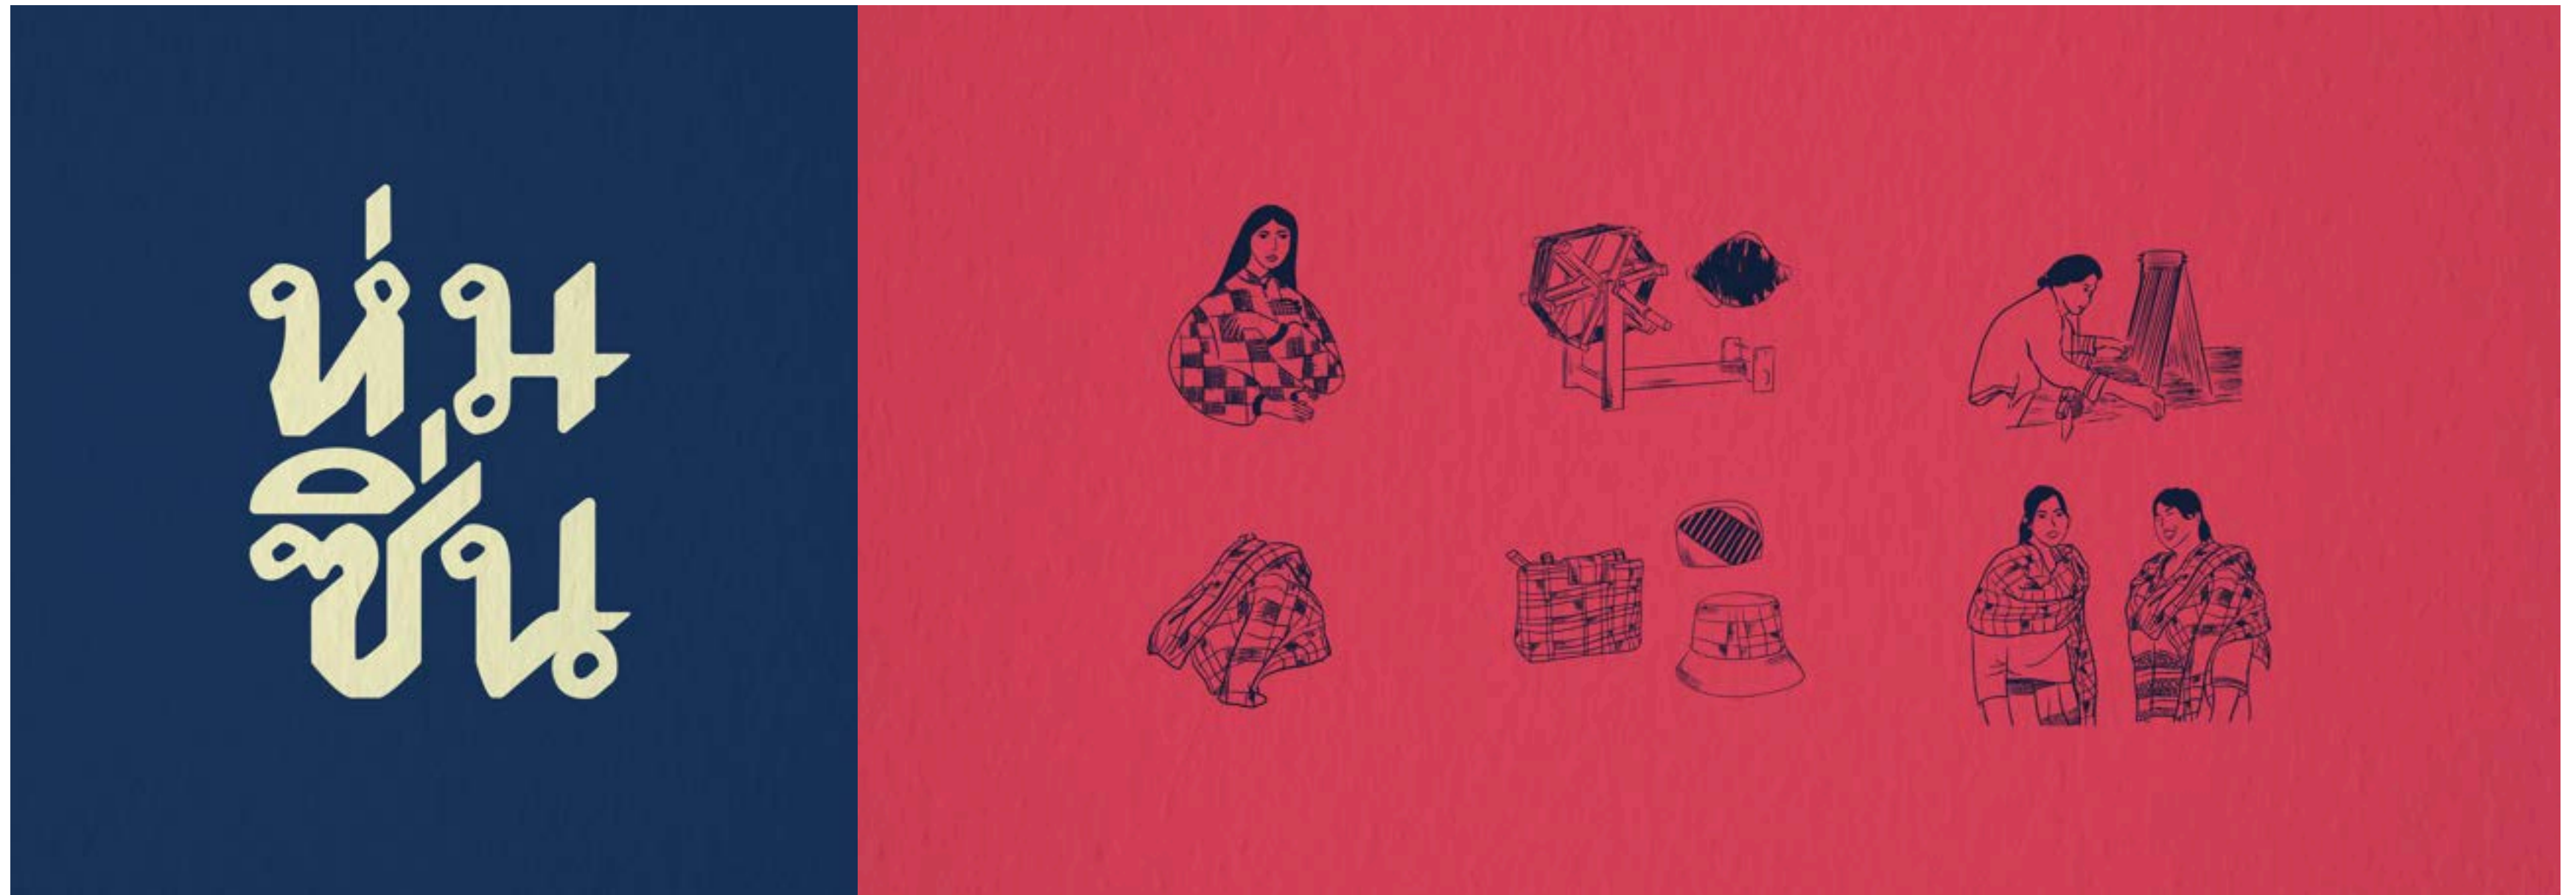

VELA

Vela, meaning "candle" in Spanish, presents a collection of LED candles that embody elegance and refined artistry. Each candle is meticulously crafted to illuminate your surroundings with an aura of sophistication and charm.

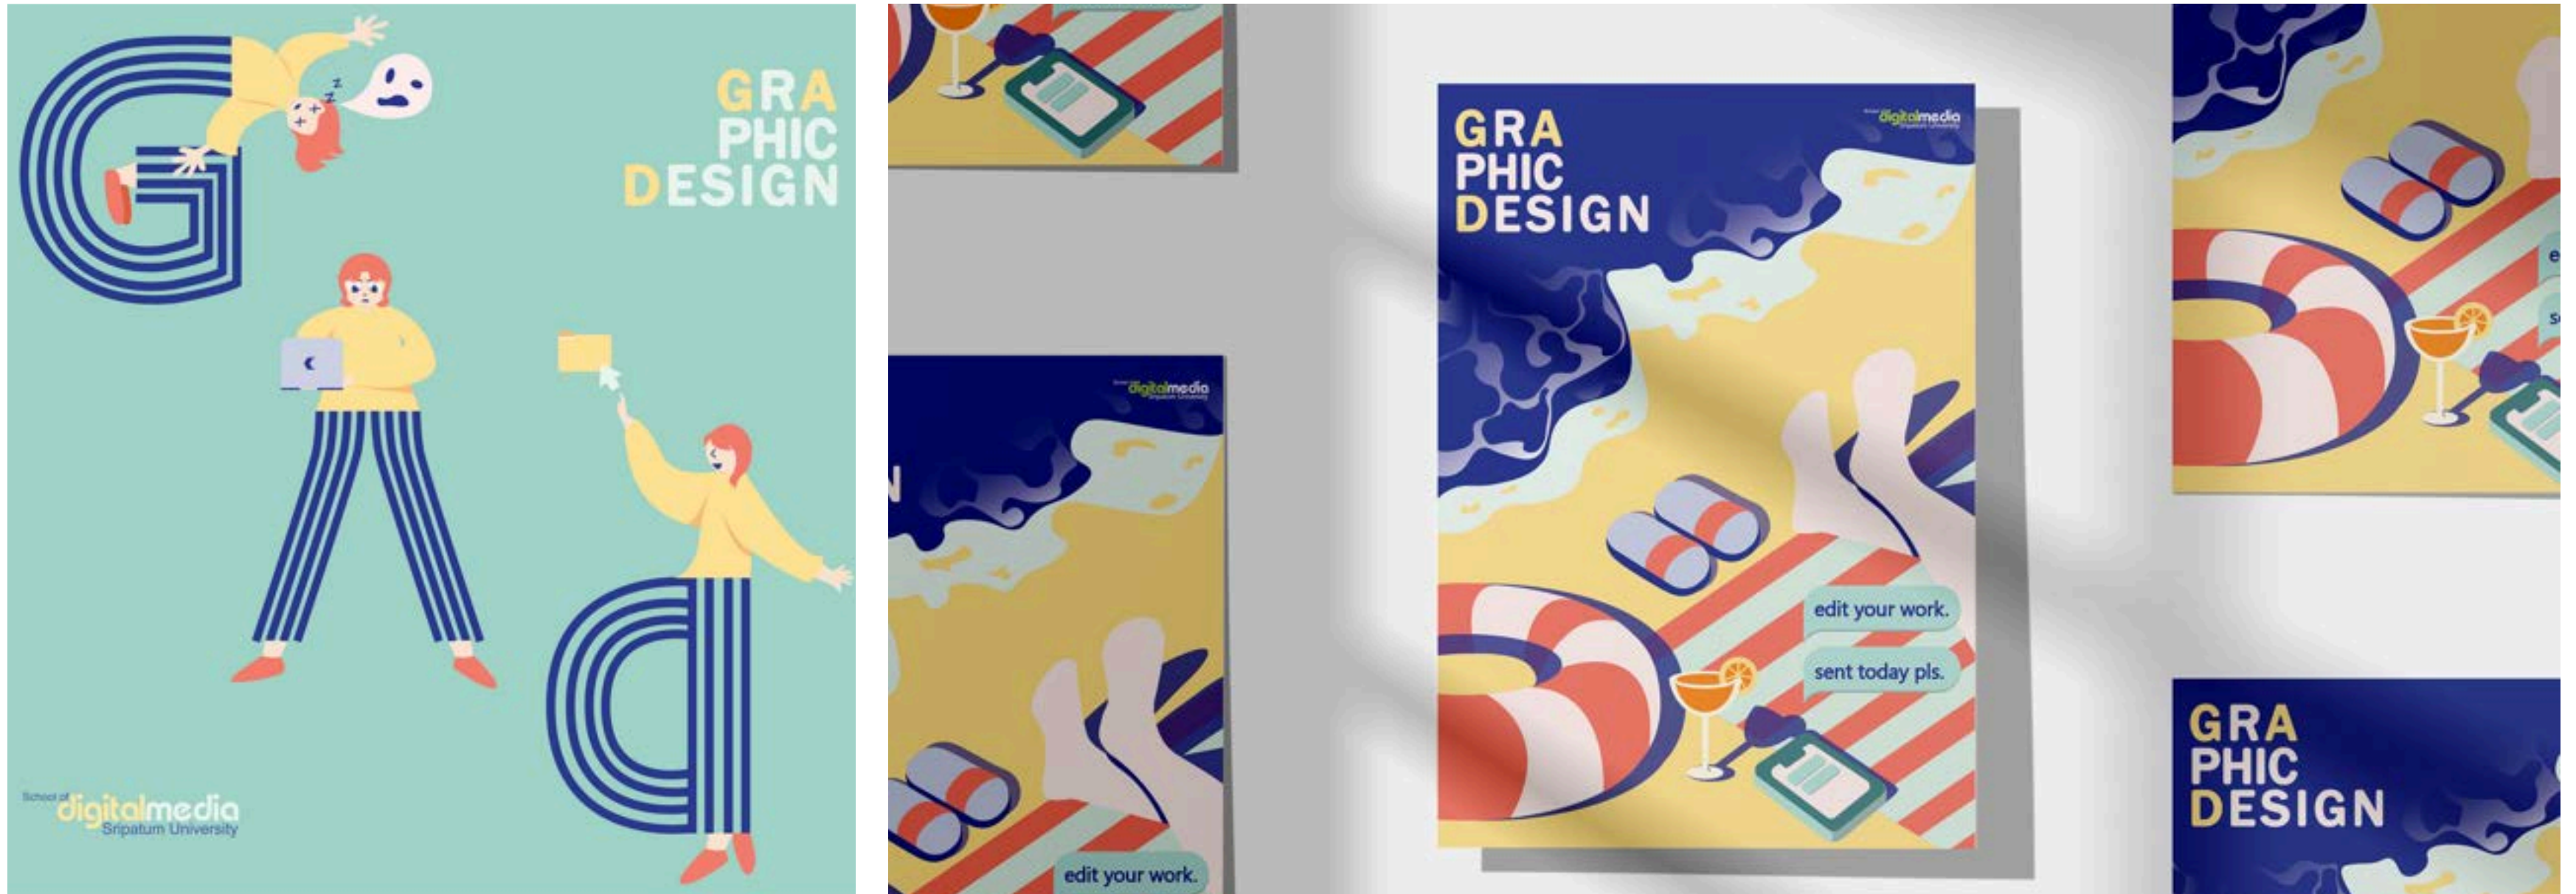

HOMSIN

A packaging collection designed to showcase the intricate beauty of tie-dye garments, a traditional art form passed down through generations of Nan women. Inspired by the strength and resilience of these artisans, the packaging embodies the essence of feminine power and celebrates the rich cultural heritage of Nan.

GAD

A set of souvenirs from the Digital Media Faculty in the field of graphic design under the concept of the life of a graphic girl whose style reflects the greatest sense of humor. She still gets requests for work at festivals. Time has no holidays.

RESTEE

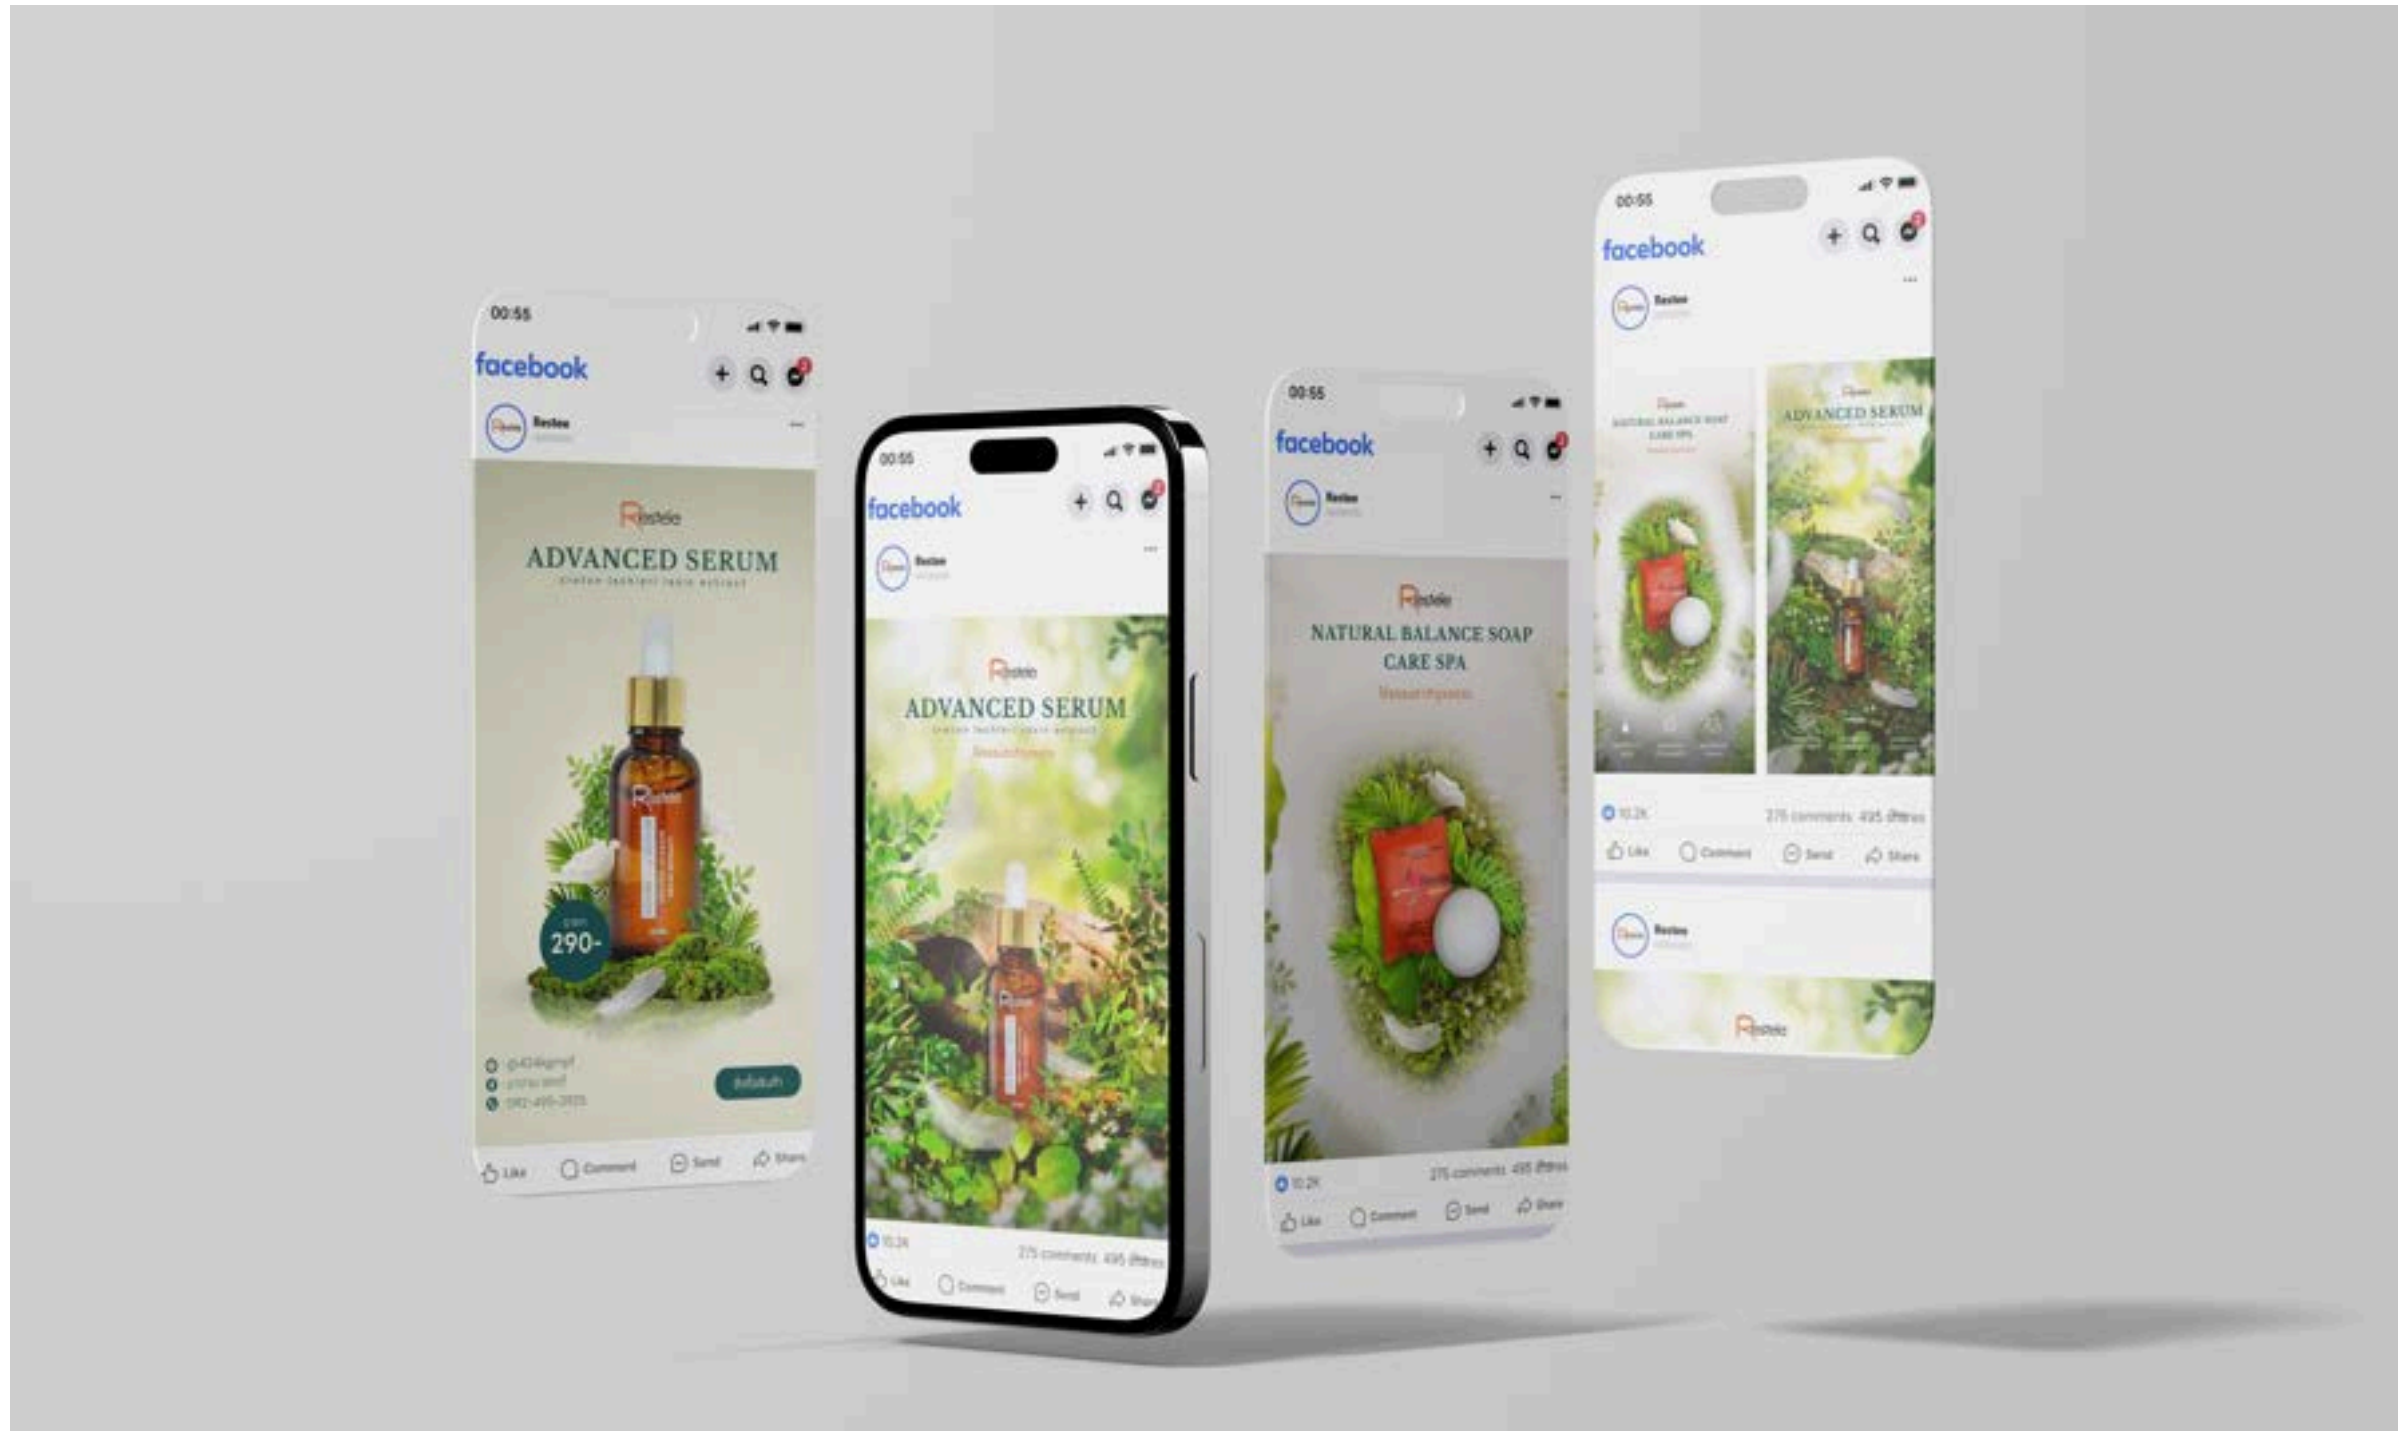

Team-based competition for designing an advertising campaign for facial and body skincare products under the concept "Let nature gently care for you". My responsibilities is managing lighting, atmosphere, and visual elements.

# Campaign AD

ABOUT

WORK

CONTACT

NIKE

A chunky sneaker inspired by early 2000s running shoes. The durable and stylish design ensures long-lasting wear for everyday use. The commercial conveys a sense of coolness and ruggedness through the rhythm of the visuals, while still highlighting the shoe's distinctive design.

AROUND ME

An online book that showcases local stories and recommended destinations near your home. Featuring a collage-style design with vibrant colors and textured effects, the book offers an immersive reading experience that transports readers into the author's world.
