# Hello! I'm Beammy

I'm an illustrator and graphic designer who loves telling stories with pictures. I believe that color, light, and details can show feelings and meaning better than words. My art often mixes fantasy, feeling, and symbols to create a mood that people can connect with. For all my projects (illustrations, prints, or concept work), I focus on creating a clear style and a good experience for the viewer. I enjoy trying new techniques—both digital and hand-drawn—to make my work come alive and truly show who I am, hope you enjoy with my portfolio..

# VINYLE COVER

This is a university project vinyl design for Olivia Rodrigo. I created all the original illustrations for both the outer and inner packaging; only the lyrics and sticker references are official. The core concept is a High School aesthetic. I styled the inner sleeve to look like the back of a sticker sheet, arranging the tracklist to be fun, vibrant, and reflect my personal aesthetic.

**BRUTAL**

All I did was try my best  
This the kind of thanks I get?  
Unrelentlessly upset  
They say these are  
the golden years  
But I wish I could disappear  
Ego crush is so severe  
God, it's brutal out here

**HAPPIER**

Oh, I hope you're happy  
But not like how  
You were with me  
You're selfish, I know,  
I can't let you go  
So find someone great,  
But don't find no one better  
I hope you're happy  
but don't be happier

well, good for you  
you look happy and healthy  
Not me if you ever cared to ask  
Good for you, you're doin' great  
out there without me

**GOOD 4 U**

Baby, God, I wish that I could do that  
I've lost my mind,  
I've spent the night cryin' on the  
floor of my bathroom

**TRAITOR**

So when you gonna tell her  
that we did that, too?  
She thinks it's special,  
but it's all repressed  
That was our place,  
I found it first  
made the jokes you tell to her  
when she's with you  
Do u get dejavu ???

**DEJAVU**

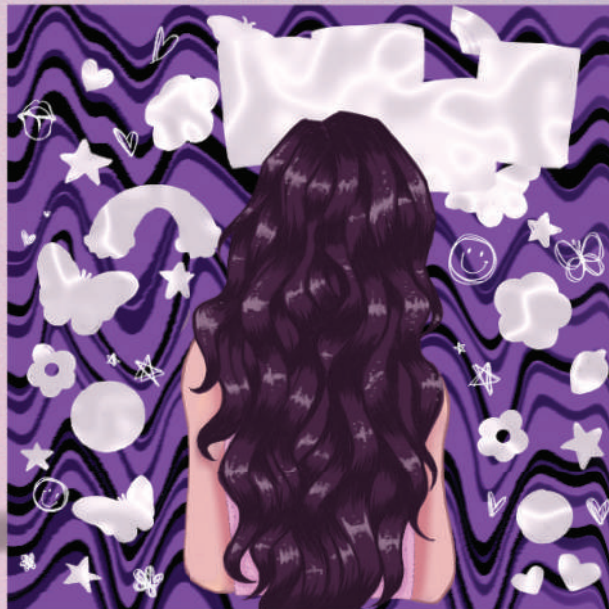

Well, I hope you know how  
proud I am you were created  
With the courage to unlearn  
all of their hatred  
But, God, I hope that you're  
happier today  
'Cause I love you  
And I hope that you're okay

**ENOUGH FOR U**

And maybe I'm just not  
as interesting as the girls you  
had before But God,  
you couldn't have cared less  
About someone who loved you more  
I'd say you broke my heart  
But you broke much more than tr  
Now I don't want your sympathy  
I just want myself back

**CAUSE IT'S ALWAYS ONE STEP FORWARD  
AND THREE STEPS BACK**

I'm the love of your life  
until I make you mad  
it's always one step forward  
and three steps back  
Do you love me, want me,  
hate me? Boy, I don't understand  
No, I don't understand

# BRANDING DESIGN

This was a Brand Identity project for a stationery store near a university. I developed the full identity, including the logo, brand guidelines, and visual presence. The logo is a caricature of the two store owners—a face instantly recognizable by local university students, making it the core brand symbol.

Originally planned as my final school project, the owners loved the logo so much they hired me to continue the work and officially adopted it for their business

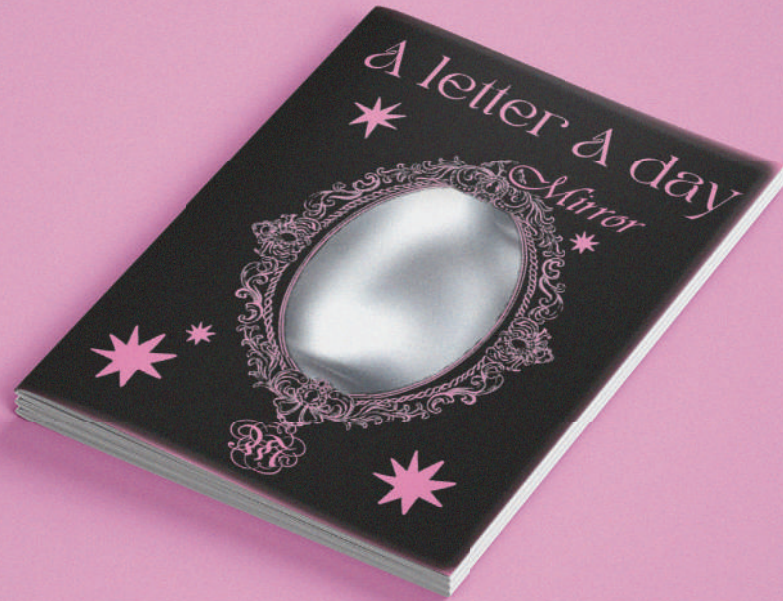

# DONATION HUB

This was a university competition project with Donation Hub to create an innovative donation campaign.

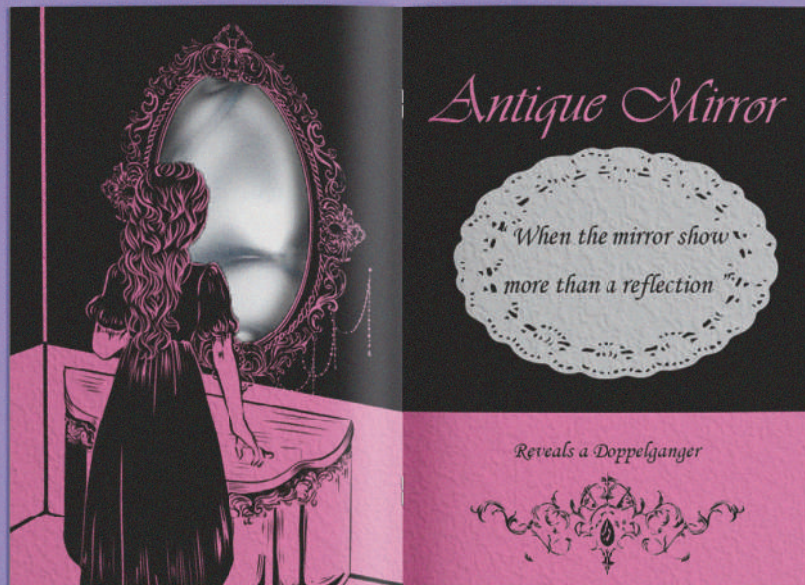

The campaign won Second Runner-Up. My role involved designing all visual assets, including posters, app mockups, backdrops, and the activity flow chart.

# ILLUSTRATION ZINE

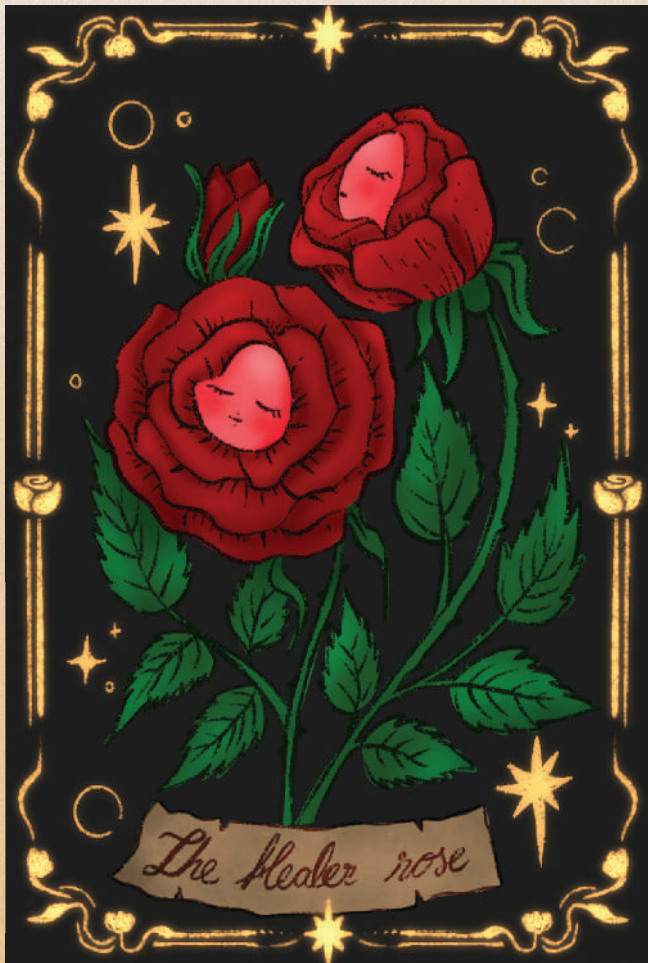

This cute Zine re-imagines the letter 'M' as an antique mirror. It tells a sweet story about the reflection we wish for and the true self we seek. The mock-up uses mirror foil so the reader sees their own reflection—making the magic of the story feel wonderfully real and personal!

# TAROT CARD ILLUSTRATION

MBTI TURN INTO TAROT CARD BY MEANNING OF EACH FLOWERS

# OCIO

Refreshing  
Illustration

This illustration project, created for the beverage brand OCIO, interprets the feeling of "refreshment" through the "Goose Family"—a set of characters I developed. They represent the sense of comfort, warmth, and taking a breath, mirroring the feeling my own family gives me. This piece was shortlisted by the brand's CEO and also received a Special Award in the competition.
