UNIVERSITY PROJECTS

PROJECTS | SPICES IN ASIA

Learning Center | Design

- **Details** : Concept Masaale Inspired by spices, the design brings together their origins, properties, and textures, translating them into various materials and natural surface finishes. The concept reflects the essence of spices and their cultural roots, representing the places where they originate as a symbolic “home” of spices.
- **Site** : Pathumwan ,Bangkok
- **Role** : Interior Design

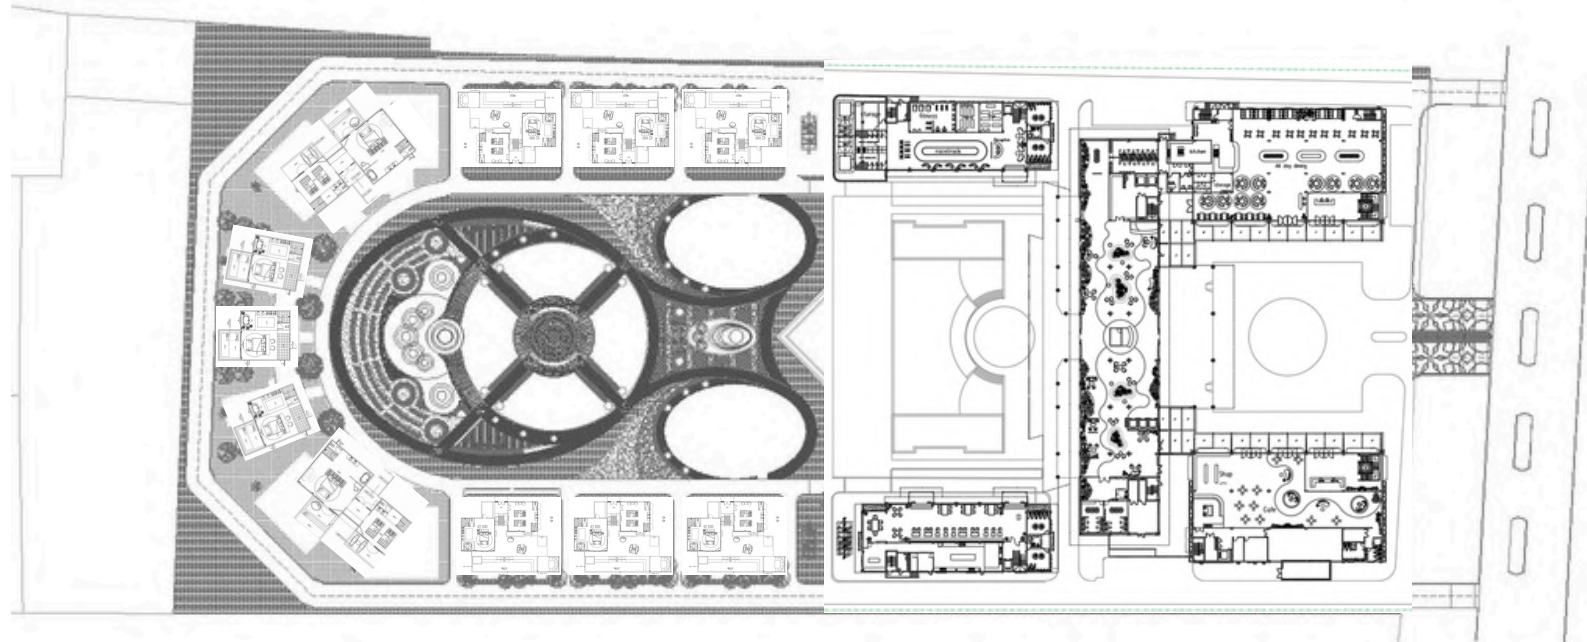

UNIVERSITY PROJECTS

PROJECTS | HEAVEN HOTEL & RESORT

Hotel & Resort | Design

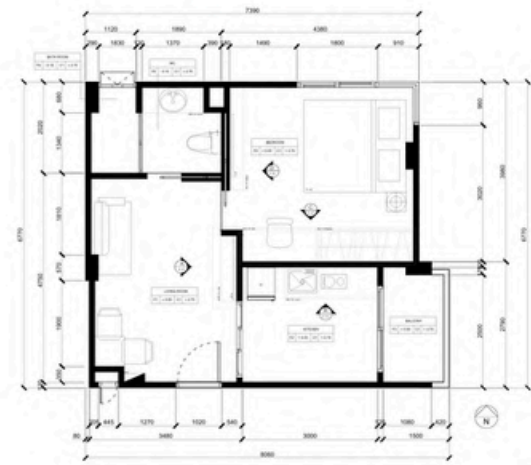

- **Details** : Concept Heaven on the Beach Design with soft materials and light color tones to create a calm and relaxing atmosphere. The design incorporates level changes and open views, allowing the interior spaces to connect with and overlook the surrounding scenery.
- **Site** : Samui, Surat Thani
- **Role** : Interior Design
